

REUNION DATES ARE
ADVANCED TO JUNE 1

Local Committee Fears Cool Weather
Early in May, When Gather-
ing Was Expected.

ENDS ON DAVIS'S BIRTHDAY

Confederate Memorial Institute to Be
Dedicated and Corner-Stone Laid
for Stonewall Jackson Monument.
Fully 100,000 Visitors Expected.

Fearing that the first date selected
would prove too early, the Lee Camp
reunion committee last night decided
to advance the date for the annual re-
union of the United Confederate Vet-
erans, which meets here in 1915 from
May 5, 6 and 7 to June 1, 2 and 3. The
latter dates were selected, as the final
one is the birthday of Jefferson Davis,
President of the Confederate States of
America.

Reunion committees are making rapid
progress on the plans for the big
gathering of veterans, which will mark
the fiftieth anniversary of the end of
the bloody four-year contest. Assur-
ances have been received from all over
the South that the attendance will be
unusually large.

Having had experience within the
last seven years with a reunion, the
local veterans feel capable of coping
with the problem, and are planning to
make the coming event not only the
largest, but the most successful ever
held.

WILL NOT ATTEMPT TO
HOUSE VETERANS IN TENTS

Profiting by the lessons of the past
year, the committee will not attempt to
have the veterans live under canvas while
here, as it is realized that their ad-
vanced age makes it undesirable and
dangerous, even in the usually warm
season. Thousands of cots will be put
up in public places, and everything will
be done to make the aged warriors
comfortable.

The central committee, headed by
Captain John Lamb, has divided its re-
sponsibilities by the appointment of
numerous other committees, whose duty
it will be to look out for the details of
the reunion. Among the features of the
reunion will be the dedication of the Con-
federate Veterans and other Confed-
erate organizations will meet here for
their annual reunions. It is expected
that fully 100,000 guests will be pres-
ent. Among the features of the re-
union will be the dedication of the Con-
federate Memorial Institute, better
known as the Battle Abbey, and the
laying of the corner-stone of the pro-
posed Stonewall Jackson monument.

MORE THAN 200 FAMILIES
AIDED BY ST. ANN'S SOCIETY

Ten Per Cent of Sales at Weisberger's
Store on Sunday Goes to
This Charity.

During the past year more than 200
deserving poor people of Richmond
have been supplied with the necessities
of life by Saint Ann's Benevolent
Society, and in addition the organiza-
tion has taken care of about sixty
cases in the various hospitals, and se-
cured employment for a score of men
and women. It has carried cheer and
comfort to the inmates of the City
Home, secured places in various char-
itable institutions for about twenty-
five homeless children, and radiated
happiness and joy where gloom and
distress prevailed.

It is for the purpose of raising ad-
ditional funds to be distributed to
charity that members of St. Ann's Be-
nevolent Society have undertaken to
assist in the sale at Weisberger's de-
partment store, 312-318 East Broad
Street, on Tuesday, when 10 per cent
of the total sales of the day will be
given over to charity. An annual con-
vention of setting aside 10 per cent of the
total sales made one day during the
Thanksgiving season to charity has
been established at Weisberger's store.
With the advent of cold weather, the
wants and needs of the poor have been
greatly multiplied, and members of
St. Ann's Society are making a special
effort to help all who are in need.
Officers of the society are: Mrs. P. J.
Ryan, 1500 Park Avenue, president;
Mrs. M. P. Murphy, 2406 Floyd Avenue,
treasurer, and Miss Beatrice Canepa,
Oakwood Avenue, secretary. Charity
will be distributed to the needy poor
of the city regardless of class, creed
or faith. A list of visitors who are
members of the society have been desig-
nated, to whom the worthy poor may
appeal for aid.

MANY PROMINENT MEN
PETITION GOVERNOR

Louisiana County People Doubt Guilt of
Mrs. Elizabeth Hall, Convicted
of Murder.

Communications received at the Gov-
ernor's office in the last week show
that some of the most prominent citi-
zens of Louisiana County believe that Mrs.
Elizabeth Hall, convicted of the murder
of Victor Hall, her husband, in the
Circuit Court of Louisiana County,
is innocent.

Several earnest appeals for execu-
tive clemency have been forwarded in
the woman's behalf by individuals, who
assert their belief in the innocence of
Mrs. Hall. Some of those interceding
in her behalf believe that the woman
set fire to Dunkum's store; but they
argue that the jury was unduly influ-
enced by the evidence connecting her
with the crime of arson, and accepted it
as proof that she was capable of the
more heinous crime of murder. The
identity of the persons interceding
with the executive in Mrs. Hall's be-
half has not been disclosed.

The communications will receive the
consideration of Governor Stuart when
he returns from Russell County this
week.

Mrs. Hall is now in the peni-
tentiary, clad in convict stripes, and
performing her tasks in the overalls
factory. Her attorney, R. Lindsay
Gordon, has not received Governor
Stuart's answer to the petition for the
woman's pardon submitted about a
week ago.

Miss Boardman to Speak.

Miss Mabel T. Boardman, a member
of the executive committee of the
American Red Cross Society, will speak
on Tuesday night in the auditorium of
the Jefferson Hotel. Miss Boardman is
the acting president of the national
body, and is an interesting talker. The
meeting will begin at 8:30 o'clock, and
the public is invited.

Academy of Medicine to Meet.

The Academy of Medicine and Sur-
gery will meet Tuesday night at 8:30
o'clock. A paper on "The Operative
Treatment of Fractures" will be read
by Dr. H. Stuart MacLean, and will be
discussed by Drs. Stuart McGuire, L. C.
Gosher and others.

Broke Glass Window.

J. W. Davis was yesterday fined \$5
and costs by Justice Crutchfield on a
charge of being drunk and disorderly
and breaking a large plate glass win-
dow in Puchell's bar room.
